The Fine Arts Association offers a limited number of Achievement Scholarships in art, dance and theatre.

Eligibility

1. Applicants should have been enrolled in classes or lessons at The Fine Arts Association within the past year. Applicants new to Fine Arts may apply, though priority will be given to currently enrolled students.
2. FAA Achievement Scholarship recipients are responsible for paying all registration fees.
3. FAA Achievement Scholarship recipients are not eligible to apply for financial-need scholarships.
4. Full and partial scholarships are awarded based on the individual's achievements relative to his/her age, without regard for race, sex, religion, age, disability or national origin.
5. Recipients of partial scholarships may not apply another FAA discount or special offer to the remaining tuition due for the class for which the scholarship was granted. Balance of class tuition must be paid before the first class. For balances over \$200, a payment plan can be arranged.
