

Dear friend,

Following Governor DeWine's most recent press conference on December 30th, 2020, FAA will return to a hybrid arts education format beginning on Monday, January 4th, 2021. The Spring session will remain hybrid and continue as such. For those enrolled in the current Fall session, please look for an email regarding specific information.

Over the last nine months, FAA has remained a safe and sanitary place for all students. We are proud of all staff, faculty, board of directors, and other volunteers who have worked to keep FAA as clean as possible. Thank you to the students and families who have navigated the changes and trusted us with your safety!

CEO, Paul Holm says "In addition to daily cleaning and COVID-19 protocols, the short periods of time that our students are in the building or in proximity to even small groups of others helps to limit potential exposure for everyone. We are grateful that, because of our precautions and a unique setting, we have not yet experienced any COVID outbreaks at FAA."

FAA will have a 2021-2022 performance season. The exciting and enhanced performance season will be announced sometime in the spring!

We look forward to seeing you soon! In the meantime, we wish you a safe and happy New Year!

Sincerely,

The FAA Team

COVID-19: FAA will continue the COVID-19 protocol we had in place in the Fall of 2020. [Click here to view FAA's FAQ](#). Two small changes for the Spring 2021 session:

1. Please use the front entryway door as a means to both enter and exit the building (please do not use the back door).
2. The north lot (closest to Mentor Ave.) will not be accessible for the Spring session.
