

The Fine Arts Association seeks a Music Therapist-Board Certified to join the Creative Arts Therapy faculty beginning in May 2021

**Responsibilities:**

- Provide 1:1 and group music therapy services and adapted lessons (both in person and virtual) for clientele in community arts based MT program, including documentation and ongoing evaluation
- Assess/evaluate potential client needs through assessment
- Provide needed consultation with client families
- Document client progress in reports
- Participate in twice yearly client events
- Serve as advocate for organization's Creative Arts Therapies program
- Collaborate with Associate Director of Creative Arts Therapies and Director of Education to create new programming
- Participate in team meetings and peer supervision

**Potential Opportunities:**

- Provide sessions on site at The Fine Arts Association (currently 26 clients of various needs and ages)
- Various opportunities in connection with The Fine Arts Association's partnerships with off-site locations
- Facilitating early childhood programming and recreational music classes
- Part-time position with potential to grow to full-time

**Minimum Qualifications:**

- Bachelor's Degree in Music Therapy or an Equivalency Degree in Music Therapy
- Music Therapist-Board Certified

**Preferred Qualifications:**

- One year experience in Music Therapy
- Diverse client experience

**Application Instructions:**

Submit the following to Associate Director of Creative Arts Therapies, Ann Marie Raddell, MT-BC, NICU MT at [araddell@fineartsassociation.org](mailto:araddell@fineartsassociation.org):

1. Cover Letter detailing interest in the position
